Dear Ed,

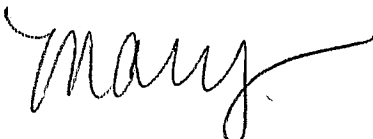

When Rookie of the Year voting was announced you were my first choice!

Last March, we worked on the sale off of Crabapple Circle together. When problems started to arise, I was floored by how well you handled everything considering the fact you were new to the business. Many agents get frazzled, outwardly frustrated and down-right rude, but not you! You were courteous, kind and tactful! I really appreciated how you handled everything. Your professionalism and resourcefulness was a breath of fresh air!

I've noticed your sales numbers throughout the year as well. You have got to be one the highest performing Rookie Realtor in the lake area!

Congratulations on a successful 2010! I look forward to working upcoming closings together and hope your 2011 is record breaking for you!

Sincerely,

Mary Albers, ABR, CRS, GRI
